I, **GERALD A. TAITANO**, individually and as Executive Director of the Guam  
Election Commission (hereafter "GEC"), do hereby depose and say:

ORIGINAL

1. I am the Executive Director of the Guam Election Commission, I am over the age of majority, and I am competent to testify to the facts alleged in this Affidavit.

2. I was acting in my official capacity as Executive Director during all periods of time relevant to the aforementioned and enumerated cases.

3. I implemented Public Law 27-108 which was "An Act To Cure Defects In Compliance With 3 GCA §17509 and 17511 and to add §17509.1". In summary, P.L. 27-108 provided that the ballot pamphlets regarding the initiative entitled "An Initiative to Establish the Guam Casino Gaming Control Commission Act" (hereafter "Proposal A"), does not need to contain a complete text of the initiative measure to be submitted to the voters.

4. P.L. 27-108 further requires that complete text copies of the Proposal A be transmitted to various listed governmental agencies and locations.

5. That I, or the GEC Staff at my direction, caused to be transmitted, copies of the complete text of Proposal A to the following: all nineteen (19) village Mayors at their respective mailboxes located at the Mayor's Council, Hagatna, Guam; all fifteen (15) Senators, the Attorney General of Guam, the Office of the Public Auditor, every branch of the Guam Public Library System, the Robert F. Kennedy Library at the University of Guam, and the Guam Territorial Law Library.

6. Furthermore, the complete text of the Proposal A was made available via the GEC's Website, ([www.guamelection.org](http://www.guamelection.org)), and copies were made available at the GEC office to any registered voter upon request.

7. The GEC did not publish in the Pacific Daily News, regarding the availability of copies of the Measure, because no funds had been appropriated by the Legislature to accomplish said publication.

8. The availability of the complete text of Proposal A was made known to the public through the numerous and various news reports generated by the various media, at that point in time.

9. Upon information and belief, the complete text of Proposal A was also made available at the website for the proponents of Proposal A, Citizens for Economic Diversity (CFED) and for the opponents, Citizens Opposing Proposition A (COPA) website.

10. Attached herewith as Exhibit "1" is a true and accurate copy of the Memorandum dated October 26, 2004 from the Executive Director, GEC, to all Senators, 27<sup>th</sup> Guam Legislature, all village Mayors, the Attorney General of Guam, the Guam Public Auditor, and the respective librarians for the Nieves M. Memorial Library (Hagatna), Agat Public Library, Barrigada Public Library, Dededo Public Library, Merizo Public Library, Yona Public Library, Robert F. Kennedy Library (UOG) and the Guam Territorial Law Library, evidencing the GEC's transmittal of the complete text of Proposal A to all entities required under Public Law 27-108.

Further affiant sayeth naught.
